

Ben Copping

Freelance Front End Web Developer & Designer

Nationality – British

Date of Birth - 20/01/1978

Website - www.bjcdesign.com | Email – ben@bjcdesign.com | Phone – 07950 344986

Qualities

I am a straight talker who understands the web project lifecycle, and who can communicate effectively.

I pride myself in meeting deadlines.

I am a team player, friendly and approachable.

I'm a reliable, honest, dedicated & motivated hard worker, with a fun sense of humour!

Skills

Over 9 years experience using a wide range of professional web authoring and design tools.

Handwritten XHTML, HTML5, CSS & CSS3, JavaScript, JQuery, Glow and other frameworks.

Excellent understanding of web standards, W3CAG, importance, and considerations.

Excellent understanding of Accessibility issues and best practice.

At home on a Mac & comfortable on Windows.

Agency / Company experience

BBC, Public Zone, Radley Yeldar, Picture, Poke, Concep, Crayon, Glue Isobar, Digitas, Tequila, QS, HMV
